Discover the Elegance of this beautiful property at Residential San Fuego. Located in the prestigious San Fuego neighborhood of Santa Cruz, a luxurious villa where contemporary design meets the serene beauty of nature. Named after its stunning infinity pool, this extraordinary property offers a lifestyle of sophistication, relaxation, and breathtaking 180-degree views of the surrounding landscape. Built on 1.296 m2 property land, this property is thoughtfully designed with high ceilings throughout, enhancing the sense of space and inviting a pleasant, constant breeze to flow through the entire house. The bright and airy bedrooms include a primary suite with a walk-in closet and an elegant ensuite bathroom, while the additional bedrooms offer comfort, light, and privacy for family and guests. The villa's high-ceilinged living room seamlessly connects to an open-concept kitchen, creating a welcoming and functional space for living and entertaining. A spacious porch links the indoor living areas to the infinity pool, offering the perfect setting to enjoy Aruba's indoor-outdoor lifestyle. Surrounded by a lush garden with large, iconic rocks that reflect the natural beauty of San Fuego, a tranquil oasis where luxury meets nature. Discover the ultimate in upscale living—schedule your viewing today.
